

LYME TESTING DELAY

Pranil K. Chandra, DO, Medical Director
Mary M. Mayo, PhD, Scientific Director

December 18, 2014

Due to a nationwide manufacturer backorder of the Lyme disease assay, PathGroup is experiencing delays in patient testing for Lyme disease. We are working diligently with the Lyme assay manufacturer to receive the first kits that become available for production. Stability of all samples has and will be maintained during this delay. We apologize for any inconvenience this may cause you or your patients.

Test Codes affected by manufacturer delay:

- BBGM
- BBGMR
