Excellence in Pathology and Laboratory Services

Toxoplasma IgG / IgM ordering correction:

The client memo issued 4-8-09 contained an error for the test order codes. The transition of performing Toxoplasma testing in house will not affect your ordering process. Test codes will not change from what you were accustomed to ordering previously.

Correction:

Ordering:

Test Code	Test Name	CPT
TPGA	Toxoplasma IgG	86777
TPMA	Toxoplasma IgM	86778
TXGMS	Toxoplasma IgM/IgG	86777/86778

We apologize for any inconvenience,
Jeff Johnson, Clinical lab Manager
